

1541 Gordon River Road Westerway TAS

4 🏠 1 🚗 10 🚗

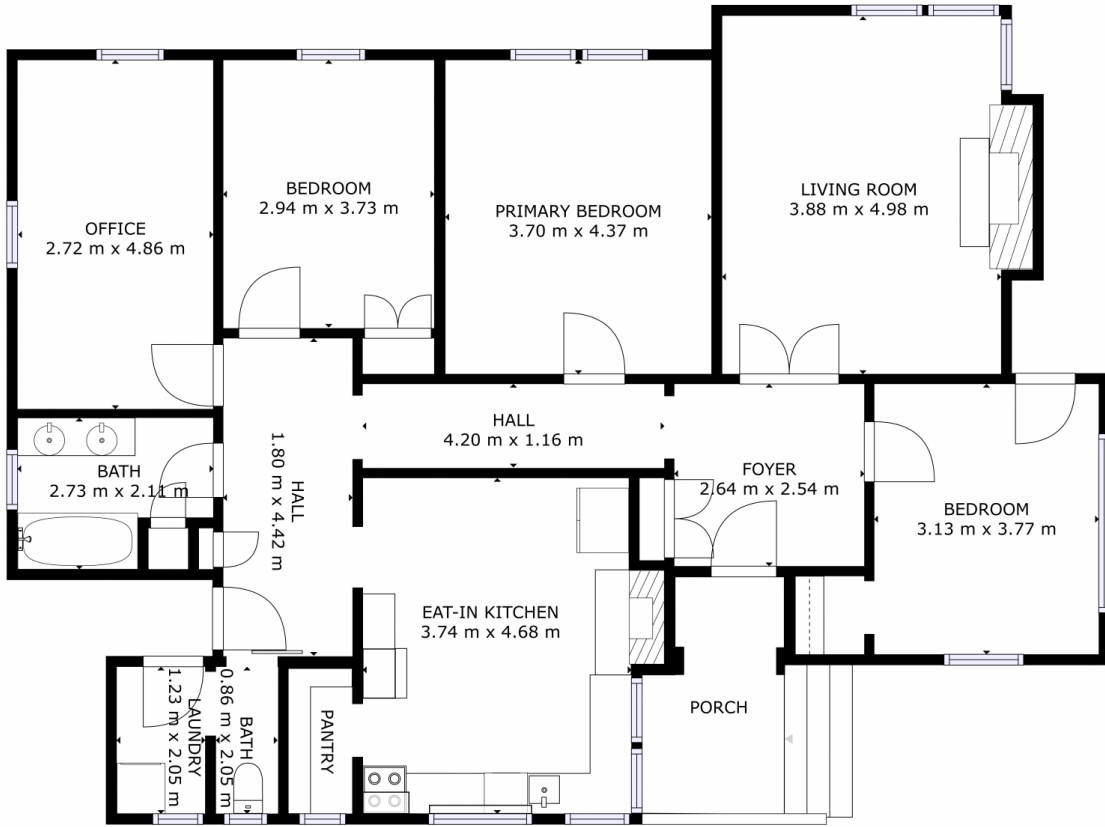

An exceptional opportunity is now being presented in 1541 Gordon River Road - a stunning slice of historic Westerway. This 4-bedroom home was originally built in the 1940s as the local police station & it shows a certain amount of style and class from a bygone era. All the rooms are large and well thought out with a grand feel that is normally hard to find. One of my favourite parts of this home is the dual holding cells that have been sympathetically restored as a separate AirBnB rental or a quiet room for the kid of course (STCA). There is an abundance of parking on site with space for two large vehicles in the carport, two separate single car garages/workshops as well as a separate outhouse & storage.
