The property is tastefully styled in a heritage theme throughout. The master room has its' own sunroom and lots of space. Further down the hall and you enter the modern kitchen, tastefully updated in sympathetic colour schemes, an island bench and a stainless steel cooker.

The home is heated from the large slow combustion wood fire in the kitchen along with two heat pumps. Off the kitchen is the formal dining room. To top it all off is the modern bathroom with its elegant freestanding bath and separate shower.

There is a private courtyard, a great weatherboard shed, and plenty of vegie patches.
