335 COLLINS CAP ROAD IN COLLINSVALE.

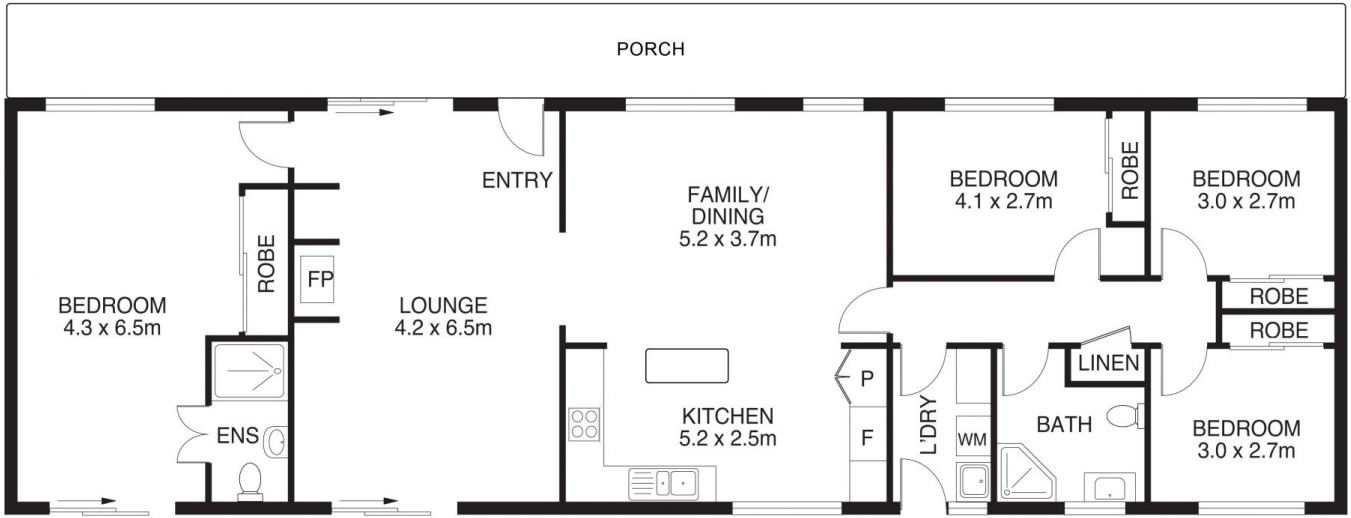

Wow Tasmanians - Just Wow.

A property with it all. At just under 17.5 Acres (or 70,800 square meters) you have a large slice of Tasmanian bliss to call your own and gives you and your family the flexibility to live a life that's worth living. Approx. 5 acres are cleared (All Council DA approved) and perfect for running a bit of livestock (or just the kids & fur babies of course). Over 60 Photinas are planted on the property's frontage and the rest is stunning native bush with enough dry wood to get you through many a winter! Brand new steel fencing and an abundance of spring-fed water all year round. The still tranquillity of Tassie nature at your front door with enviable views galore. The home itself is situated on a gentle rise with easy access to the main road and oodles of parking. Neighbors are all a good distance away and you are
