

1/29 Dempster St Claremont TAS

3 1 2

We have a lovely 3-bedroom, 1-bathroom house available. The house is a weatherboard home with a fenced yard, perfect for families with children or pets. The reverse cycle heat pump with ducted heating provides efficient and effective temperature control all year round, ensuring a comfortable living experience. The lounge room is situated to capture the sun all day round.

The bathroom features a shower, and there is a separate toilet for added convenience.

If you are looking for a comfortable, spacious and conveniently located house to call your home, we invite you to arrange an inspection of this property today. Don't miss this opportunity to secure a great rental property in Claremont.
