

80 Hill St West Hobart TAS

3 1

Welcome to this charming 1900 circa cottage, boasting timeless elegance and modern comforts. This delightful abode features a light-filled open plan living area with air conditioning and doors that connect to the inviting deck and backyard, creating a seamless indoor-outdoor living experience. Many of the rooms showcase the original fireplaces/mantles, Baltic pine doors, high ceilings and beautiful polished floorboards reminiscent of the era that are highly practical.

The modernised kitchen boasts ample storage space and quality appliances, including a dishwasher. There is a separate laundry area with sliding doors inclusive of a deep sink and ample space for a washing and drying machine. The bathroom has a shower/bath unit and includes plenty of space for storage. All these areas ensure convenience, comfort, and functionality.
