

1 Oakley Street New Town TAS

1 Oakley Street is one of the last remaining vacant residential blocks located in the heart of New Town.

Whether it be schools, shops and the calvary hospital walking distance away, it is easy to understand why the area is highly sought after.

Situated on 420m², there is enormous scope to build a new, magnificent home in an exclusive area and a quick scan of the maps will reveal that you'll be lucky to find any other similar vacant blocks.

With all that in mind, this might just be one of the last opportunities to realise your vision in one of the most sort after areas in greater Hobart.
